September Missions Emphasis - SEND Relief

Missions - Send Relief, a collaboration between the [International Mission Board](#) and [North American Mission Board](#), is the Southern Baptist one-stop shop for compassion ministry at home and abroad. Send Relief responds to crisis and strengthens vulnerable communities around the world by meeting physical and spiritual needs in Jesus' name.

Send Relief exists to respond to life-altering moments with the life-giving gospel of Jesus. Whether it's responding to natural disasters, caring for refugees, fighting human trafficking, supporting adoption and foster care efforts or providing clean water and medical attention to struggling communities, they are committed to connecting people in need with people who care.

Abner Creek Baptist Church joins the thousands of others already partnering with Send Relief to care for those in need—one person, one relationship, one community—at a time. Through authentic care and consistent presence, people hear and see the gospel in action and discover how God's amazing love can change everything.
